**CERTIFICATE of CONFORMANCE**  
**CALIFORNIA PROPOSITION 65**

**Declaration**

Dear Concerned Parties,

This certificate is to inform Chudnow Manufacturing Corporation concerned parties that items produced by Chudnow Manufacturing Corporation (**with the exception of the below listed items of concern**) do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986. This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. The Proposition 65 chemical list can be found at:

<https://oehha.ca.gov/proposition-65/proposition-65-list>

Chudnow Manufacturing Corporation is committed to providing safe, high quality products for our concerned parties. We have worked with our vendors and our supply chain partners to ensure the purchase of raw materials that will meet Prop 65 standards. Be assured, Chudnow Manufacturing Corporation will continue to monitor the Proposition 65 regulations for any new chemicals. Chudnow Manufacturing Corporation will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our concerned parties.

**Distributors and Wholesalers**

Please be aware that we will not provide a warning label for any listed product we sell to you for redistribution unless...

- A.) You are a business in the state of California and we ship directly to you.
- B.) You request that items be drop shipped to California.

Only then will product be labeled appropriately.

### **Items of High Concern**

The following items are of concern regarding the use of lead in the form of lead alloys in brass materials. These items pose no risk to health provided they are used in accordance with Chudnow application specifications and when used primarily in gas only applications. Wash hands after handling to minimize the risk of ingestion.

<b>Item #</b>	<b>Description</b>	<b>SOHC</b>
JO-* series regulators (All)	High pressure primary gas regulator	Not lead free brass
LP-* series regulators (All)	Low pressure secondary regulator	Not lead free brass
MV-* series regulators (All)	Multi-port low pressure regulator	Not lead free brass
55* series regulator (All)	Low pressure secondary regulator	Not lead free brass
All brass fittings and safety valves	Various fittings and valves	Not lead free brass

For California Prop 65 compliance, please refer to our stainless steel line of fittings for use with liquids, potable water and food products.
